INTERNET SOLUTIONS

for

REALTORS

YOU ARE SOMEONE SPECIAL

Exceeding Your Expectations

Merkley Marketing Group is committed to your satisfaction, we settle for nothing less. As a client of ours **YOU ARE SOMEONE SPECIAL** and we are always striving to exceed your expectations.

THREE KEYS

PERSONALITY

Your website should be a reflection of your personality. From conservative to WOW a Realtor's website should be a reflection of you.

PROFESSIONALISM

You have worked hard and have developed an outstanding reputation. Your website should be a reflection of that professionalism!

MARKETING

Your website should be designed to appeal to your target market. We use design and images that define your marketing position.

WEBSITE

WOW WEBSITE MARKETING

Depending on your goals for creating traffic to your website, Merkley Marketing Group's numerous internet marketing options enable us to design a marketing program that is effective and within your budget.

WOW WEBSITE DEVELOPMENT

As a successful realtor we know your time is most profitable spent working on real estate projects and not spending a lot of time working with a webmaster to develop your website.

With our experience developing extraordinary websites, we know where to get professional photography and content so that ultimately you have an outstanding user friendly website that required very little time from you and/or your assistant.

Our service doesn't end with your completed website; **we are committed to the upkeep and maintenance of your completed site and pride ourselves in responding promptly to any changes or additions you request.**

EMAIL MARKETING

WOW EMAIL MARKETING

Merkley Marketing Group can design and deliver custom premium quality e-mailers to your email database. With over five years of experience designing and executing emails in addition to studying email marketing trends, MMG knows what it takes to get emails delivered and opened.

Bridging the Marketing Gap!

"Permission based email continues to be the preferred method of contact from favorite retailers regarding new products, services or promotions (preferred by 75% of consumers), while only 25% preferred postal mail and 0% choosing telemarketing".
